PRIMARY OFFER
[Describe the main product or service the business sells, its price point and what makes it different.]

TARGET CUSTOMER
[Who they are, where they spend time online, what they care about and what stops them from buying.]

02 WHAT WE NOTICED

Your current social media *landscape.*

01

WHAT IS WORKING

[e.g. Behind-the-scenes posts earn 2× the average engagement. Your audience responds to faces and process.]

02

WHAT NEEDS IMPROVEMENT

[e.g. Posting is irregular and visuals don't match across platforms, which weakens brand recognition.]

03

MISSED OPPORTUNITIES

[e.g. No short-form video, no clear call to action in the bio, and customer reviews aren't being reshared.]

04

BIGGEST GROWTH OPPORTUNITY

[e.g. A weekly Reels series built around your expertise could become your main source of new followers.]

03

CREATE DEMAND

[Highlight the offer, answer objections and build anticipation around launches and limited availability.]

04
